Our club is in the heart of Aberdeen City Centre, welcoming creative people of all ages and abilities, from the novice to the seasoned artist.

We offer a variety of weekly art sessions and host a series of art classes and workshops throughout the year. Our facilities include several art studios, providing creative spaces for a wide range of professional artists based in the North East of Scotland.

Becoming a member of the Northern Arts Club is an opportunity to belong to one of Aberdeen's oldest independent arts clubs with a long and rich history. As a member, you will get to contribute to the legacy and help shape the club.

Membership benefits include:

- Access to weekly drop-in sessions to create your artworks within the club studio spaces.
- The opportunity to exhibit your artwork at the club's exhibitions and receive local marketing and PR support to attract potential buyers.
- Reduced session fees for classes.
- Ad-hoc use of premises for your own artwork development.
- Membership (reduced) pricing for hourly studio hire rates.

Monthly membership fee is £15 (payable by standing order), with discounts available for students, recently graduated and families. Details are provided on the Membership form overleaf.

These fees finance all the club's activities, facility upkeep and maintenance, and further development of artists, classes, and workshops.
